Subject: RE: Lane Plating Addendum 01 Sampling and Analysis Plan

You're welcome, Mr. Shewmake. I just checked my schedule and at the moment am open all day long on Thursday, so sometime Thursday afternoon will work out fine for me. I've also had a chance to look through the TCEQ comments more closely and they seem reasonable and straight-forward.

Thank You,
Mark Paddack
EA Project Manager

Thank you. I'm thinking of having a call Thursday afternoon to go over comments on the P1 report. Are you available?

Subject: Lane Plating Addendum 01 Sampling and Analysis Plan

Mr. Shewmake:

Please find attached a copy of the Addendum 01 Sampling and Analysis Plan for the Lane Plating Works, Inc. Superfund Site Remedial Investigation. One hard copy and one electronic copy on compact disc (CD) is being distributed to your attention. As requested, one electronic copy (on CD) is also being distributed to Mr. Scott Settemeyer, Texas Commission on Environmental Quality Project Manager.

Please let me know if you have questions or comments concerning this matter.

Thank You,
Mark Paddack
EA Project Manager
